The State, with consent of the Court waived and abandoned allegations ONE, TWO, THREE and FIVE of the State's Application to Revoke Probated Sentence. Thereupon the Defendant was admonished by the Court of the consequences of said plea, and that no punishment recommendation by the prosecuting attorney is binding on the Court. The Defendant persisted in entering the plea and it appearing to the Court that the Defendant was mentally competent and that the plea was free and voluntary, accepted the plea. The Defendant, having in open court and in writing, waived the appearance, confrontation, and cross-examination of witnesses, consented to the stipulation of evidence and to the introduction of testimony by affidavits, written statements of witnesses, and other documentary evidence; such waiver and consent, having been approved by the Court in writing, were filed in the papers of the cause. That the Defendant herein, on November 9, 1986, in Hidalgo County, Texas, did then and there intentionally and knowingly cause the death of an individual JOSE DAVID SOTO BELLOSO, by stabbing the said individual with a knife, in violation of condition (a) of his probationary order.

That the Defendant herein, was ordered to report to the Probation Officer each month during the Probationary period as directed; to-wit: the week of the third Monday of each month, commencing in September, 1983 and he has failed to do so for the months of May, June, July, August, 1984; June, 1985; and February, 1986, in violation of condition (d) of his probationary order.

That the Defendant herein, was ordered to pay a fine in the amount of \$500.00, payable at the rate of \$20.00 per month, commencing on the 15th day of October, 1983, and a like payment to be paid on the 15th day of each succeeding month thereafter until paid in full, said payments to be made through the District Clerk's Office, Hidalgo County Courthouse, Edinburg, Texas and he has failed to do so for the months of August, September, October, November and December, 1984; January, February, March, April, May, June, July, August, September and October, 1985, and is in arrears in the total amount of \$300.00, in violation of condition (h-1) of his probationary order.

That the Defendant herein, was ordered to pay the sum of \$15.00 per month to the Adult Probation Office commencing on the 15th day of October, 1983, and a like amount on the 15th of each succeeding month thereafter during that period of probation, to be used by this Court in administering the probation laws as authorized by the Adult Probation and Parole Law and he has failed to do so for the months of July, September, October and December 1985; January, February, March, May, July, August, September and November, 1986 and is in arrears in the total amount of

The Court finds that the amount of fine due and owing on the date of the revocation is \$300.00.

The Court finds that the amount of supervisory fees due and owing to the Adult Probation Department on the date of the revocation is \$240.00.

The Court then proceeded to pronounce the sentence of law according to the judgment rendered and the Defendant was asked by the Court whether the Defendant had anything to say why sentence should not be pronounced, and the Defendant answered nothing in bar thereof. Thereupon, the Court proceeded, in the presence of said Defendant, to pronounce the sentence as follows, to-wit: It is the Order of the Court that the probation heretofore granted in this cause is hereby REVOKED.

It is the further order of the Court that the Defendant, who has been adjudged to be guilty of the felony offense of AGGRAVATED ASSAULT WITH A DEADLY WEAPON, as stated herein, and whose punishment has been adjudged at confinement in the Texas Department of Corrections for a term of FIVE (5) years, be delivered by the Sheriff of Hidalgo County, Texas, to the Director of the Texas Department of Corrections or other person legally authorized to receive such convicts, and the said Defendant shall be confined in the Texas Department of Corrections for a term of not less than TWO (2) years nor more than FIVE (5) years in accordance with the provisions of the law governing the Texas Department of Corrections by virtue of this order of the Court.

Date November 9, 19 86

On November 9, 1986 at about 12:26 AM while I, Sgt. Vasquez, was responding to a stabbing call at Jovita's Place located on the 200 Blk. of North Illinois Ave, I observed a green colored pickup pulling out of the parking lot. As I observed the green colored pickup travel north bound, I saw that it was on the wrong side of the street. As said vehicle approached the intersection of Illinois Ave. and Hidalgo St., I noticed a white colored vehicle, which was turning south onto Illinois Ave., move out of the way to keep from being hit by said pickup. Upon observing this fact, I decided to follow said pickup. I then informed our dispatcher by unit radio that I would be following a green pickup which had pulled out from Jovita's Place. As said vehicle approached Cameron St., I noticed that said vehicle was going from side to side. I then activated my unit's emergency overhead lights to alert the driver to stop. As we approached Starr Street (still traveling on N. Illinois Ave.), vehicle made a left hand turn onto Starr Street. I then noticed Officer Gutierrez' unit, which had his unit's emergency overhead lights also activated, coming towards us. He then parked in at an angle to block said vehicle. I then advised our dispatcher of the license plates said vehicle was displaying, 9384-EF, and brought my unit to a stop and exited my unit. As I noticed that subject was not going to stop, I ran up towards the driver's side, unholstered my weapon, pointed it towards the driver and ordered him to stop the vehicle. As he came to a complete stop in the middle of the street, I ordered him to exit the vehicle. He looked at me and stated in Spanish, "No puedo." As he stated this, I noticed that the driver's side door had a wire wrapped around it to keep it closed. I yanked on the door and opened it keeping my weapon pointed at the driver. I again informed him to step out in Spanish, "salte ven despasito." As he stepped out of the truck, I patted him down for any weapons using my left hand. I noticed Officer Gutierrez next to me so I reholstered my weapon and did a complete pat down on the subject. I informed driver, whom I recognized as Pete Hinojosa, that I had stopped him because he was driving from side to side. He replied, "Ya voy pa la

Once I had Mr. Hinojosa handcuffed, I ordered Officer Gutierrez to go and protect the scene at Jovita's Place. I then escorted Mr. Hinojosa towards my unit and placed him inside. Noticing that Mr. Hinojosa's truck was in the middle of the street, I decided to move it to the drive thru outlet of the Hidalgo Bank. I then responded to Jovita's Place to back up Officer Gutierrez in the stabbing call. Upon arrival, I made contact with Officer Gutierrez who informed me that we did have a male subject who had been stabbed. I immediately got my first aid kit from the trunk of my unit walked inside and attempted to give first aid to the subject. I noticed Officer R. Valdez arrive so I ordered him to keep an eye on the male subject I had arrested since he was in my patrol unit. I also ordered Officer Gutierrez to start identifying everyone in the bar. I also informed our dispatcher that we needed an investigator as soon as possible at our location. Being unable to get a pulse on the male subject, I discontinued my first aid procedures. I then instructed Officer R. Valdez not to let anyone in or out said place to standby until we got an investigator at the scene while I took the male subject to police department. I then transported Mr. Hinojosa to police department where I placed him in our cell and informed our dispatcher to renotify our Chief and tell him that I strongly believed that the male subject was going to die. I then responded back to where I had left the truck and started to inventory it. I informed Officer R. Valdez and R. Gutierrez that Inspector Vargas was enroute to their location. Upon inventorying Mr. Hinojosa's vehicle, I found a gold colored knife under the seat which had blood stains on it. I informed officers that a weapon had been found and might be the weapon used. I then requested for a camera to take pictures of the truck and the weapon. Chief Pape came over and photographed the truck and weapon. Vehicle was picked up by Juan's Wrecker Service and brought to the police department for processing. Inspector Vargas later removed

On November 9, 1986 at approximately 12:27 AM, I arrived at the scene of a stabbing which occurred at the Jovita's Place Lounge located on 217 N. Illinois, Mercedes, Texas. Upon my arrival, I made contact with Sgt. Vasquez who advised me to guard his unit due to he had an individual whom he had arrested. I stood in the doorway of Jovita's Place to control entry of outside people and to deny exit of anyone from within the place. Sgt. Vasquez then asked me to stay in the building while he went to the police department and processed the arrested person in order to incarcerate him. At this time, Officer Robert Gutierrez was also in the lounge identifying everyone who was in the premises during the incident.

At approximately 12:35 AM, emergency medical service ambulance arrived at the scene. Two of the three emergency medical attendants conducted their skills and after a few minutes requested that I request for a Justice of the Peace. I relayed this information by radio to dispatch operator Linda Alaniz and she informed me that Judge Gutierrez would be on his way.

During this time, I viewed that the individual that was stabbed was lying flat on his back between a pool table and the west side wall of the building. Photographs were taken of the body by Det. Vargas upon his arrival.

At approximately 1:03 AM, I was asked by Det. Vargas to go outside the building and to attempt to find any evidence which may be of hlep to this case. At approximately 1:06 AM Judge Gutierrez arrived at the scene and made contact with Det. Narciso Vargas. At approximatel 1:21 AM, I left the area and left the investigation up to the investigators.

On 11-09-86 at about 12:24 AM, reporting officer was patrolling the area of Webb and Texas St. At this time, Officers Sgt. Vasquez, Ptlm. R. Valdez, and myself were dispatched to Jovita's Lounge located at the 200 Blk. of North Illinois via radio in reference to a stabbing. I responded by traveling south on Texas Ave. and turning east on Starr St. When I got to the Starr and Ohio intersection, I activated my unit's overhead emergency lights and heard Sgt. Vasquez transmit in the unit radio that he was after a green pickup truck which had pulled out of Jovita's lounge and was traveling north on Illinois St. I saw his unit after the said truck as they were about to turn west on Starr St. and decided to block the truck's path of travel with my unit. Sgt. Vasquez then called in the truck's license plates and I, in turn, drove my unit towards the truck and forced it to stop between Illinois and Ohio St. where the Hidalgo Bank outlets are located. I noticed that the truck was not going to stop so, I exited my unit, unholstered my weapon and pointed it at the operator of the truck due to the fact that I feared for my safety and to attempt to stop the truck. At that point, the operator of the truck stopped and began to exit his truck.

Once the subject was out of the truck, Sgt. Vasquez was already out of his unit and approaching the operator with his weapon unholstered. He told the operator, "no te muevas." When Sgt. Vasquez had the situation under control, he told me to go the lounge and secure the scene. I drove the lounge, exited my unit and went inside the lounge where I noticed a male subject lying on the floor. The subject was face up next to a pool table to the west side of the building about 3 to 4 feet away from the main door. There was blood on the floor next to him and a large part of his shirt was stained with his blood. The subject appeared to be grasping for air, and I noticed one puncture wound on his upper chest area which was still bleeding. I walked over to the subject, checked for vital signs and noticed that his pulse was very weak. I was then informed by the dispatcher that an ambulance was already enroute. I asked the dispatcher for an estimated time of arrival but she could not give me

one. At about that time, Sgt. Vasquez arrived at the scene and was attempting to give first aid to the subject on the floor. He then ordered me to identify the people who were at the bar and to take down their personal information. While I was doing that, I noticed that Officer Valdez had arrived at the scene and assisted Sgt. Vasquez with the first aid.

The people at the bar were identified as Amado Mauricio Trevino of 733 South Ohio - DOB 9-13-38; Guadalupe Garcés of 134 N. Matamoros-DOB 4-26-44; Robert Yriarte of Taylor Apt. #123 - DOB 8-24-51; Irma Espinoza of 321 N. Missouri - DOB 10-24-60; Estella Delgado of 338 N. Texas - DOB 11-13-61; Maria Delgado 338 North Texas - DOB 5-11-51 and La Bruna, all were from Mercedes. Once I had identified the people there, Sgt. Vasquez transported the male subject whom we had stopped earlier to the police department and left Officer Valdez and me at the scene and in charge of it. After a minute or two, the ambulance arrived at the location and three emergency care attendants checked the male subject on the floor for vital signs.

After that, Chief Pape and Inspector Vargas arrived at the scene and were informed of the traffic. I walked over to where the subject was and one of the E.C.A. showed me one puncture wound on the chest area adjacent to the one I had seen already on the shirt. A Justice of the Peace was called in due to the fact that the subject had already died. Inspector Vargas told me to transport the people at the bar to the police department for interviews. I, in turn, informed the people of the traffic and transported them to the police department where the interviews were taken over by Inspector Vargas and continued the investigation. No further action was taken by this officer.

On Sunday, November 9, 1986 at about 12:35 AM, I was called in to the police department. At the police department Dispatcher Linda Alaniz advised me that there had been a stabbing at Jovita's Place and that we had a man dead at the scene. I proceeded to Jovita's Place located at 217 N. Illinois St. in Mercedes. Upon arrival, I made contact with Officer R. Valdez, Officer R. Gutierrez and Sgt. J. Vasquez. They informed me that one man was dead and the suspect in custody. The scene had been secured and witnesses were kept inside Jovita's. As I entered, I saw the victim lying on the floor face up next to the pool table. I checked the victim and observed that he had a stab wound to the left side of his chest. I asked who the victim was and a witness by the name of Irma Castillo Espinoza said that she knew him as Jose Garcia. I then proceeded to photograph the scene. While doing so, Irma Espinoza told me that Freddy Rivera had been the one that had stabbed him and that she had witnessed everything. I then told the officer to transport all the witnesses to the police department so that I could talk to them later. I checked the victim for identification. I found a wallet on his right back pant pocket. I looked in the wallet and found receipts of Jose David Soto Belloso. At this time, Judge Apolonio Gutierrez arrived, pronounced Mr. Belloso dead and orderd an autopsy. The Guerra Funeral Home of Pharr was called to pickup the deceased Chief Pape and I made a rough sketch of the body. The Guerra Funeral Home arrived and transported the body to Ceballos Funeral Home. I then locked up the bar and secured it. I had taken the keys from the barmaid, Maria Delgado. I went back to the police department and contacted the owner of the Jovita's. I told her that I did not want anybody going into the place of business until I finished with my investigation. I went to the suspect's pickup and found a knife under the seat. I photographed it and picked it up as evidence. The knife was a butterfly knife with silver handles. The knife had red stains which appeared to be blood. After I picked up the evidence, I proceeded to talk to the witnesses.

I then made contact with Amado Mauricio Trevino who resides at 733 S. Ohio St. in \_\_\_\_\_

Mercedes, Texas. Mr. Trevino stated that he had not seen the stabbing but that he had gotten a hold of the suspect. He had tried to stop the fight. Mr. Trevino stated that he had fallen to the floor because the victim had pushed the suspect with a chair while he was holding on to him. When he got up, the suspect was gone and the victim was on the floor next to the pool table. Mr. Trevino stated that he then saw that the victim had blood on his body. I asked Mr. Trevino if he knew the victim and suspect. He said that he did not know the victim but that he did know that the suspect was from Mercedes. I then took an affidavit from Mr. Trevino.

I then made contact with Irma Espinoza. She told me that Freddy Rivera had stabbed Joe Garcia. I asked her if she knew why and she told me that they had gotten into an argument at the 101 Club over a pool table. Irma said that Joe and herself had left the 101 Club and had gone to Jovita's. They had ordered a beer and Joe went back to the door to see if a friend of his was coming to join them. Irma stated that when she turned to see Joe, Freddy Rivera was also at the door and they started to argue again. At that time, Joe pushed Freddy with a chair. Freddy then pulled out a knife, raised his right hand and then stabbed Joe on the chest. Joe then picked up a chair but Irma took it away. Irma said that after she took the chair away, Joe just fell to the floor next to the pool table. I then took Irma Castillo's affidavit.

At about 3:50 AM, I made contact with Rosario Sandoval (La Bruna). She stated that she had seen the stabbing but had seen when Irma took the chair away from the victim. When she got close, she saw the victim on the floor.

I then spoke with the rest of the witnesses but all claimed that they had not seen the stabbing nor knew the victim nor the suspect. I did take their information in case I needed to talk to them.

At about 4:45 AM, I went to the cells and took the suspect, Alfredo Rivera Hinojosa (alias

Freddy Rivera), to my office. At my office, I advised Alfredo Hinojosa of his Miranda Warnings. Mr. Hinojosa stated that he understood them and signed the Miranda Form. I told Mr. Hinojosa that he was being questioned on the Murder of Jose David Belloso. I told Mr. Hinojosa that the man that he had stabbed had died. I then asked him why he had stabbed Mr. Belloso. Mr. Hinojosa did not answer. I then told Mr. Hinojosa that I had recovered the knife and that there were witnesses that had seen him stab the victim. I asked him to tell me what had happened. Mr. Hinojosa told me that I already knew what had happened and that I had the knife. I told him that it was up to him to tell me what had happened if he wanted to. He then told me that their feud had started two days before. He said that they started to argue and that he thought that the victim was going to take something out of his pockets, so he took out his knife and stabbed the victim once. I told him that the victim did not have any weapons with him. Mr. Hinojosa said that he really thought that he had something. I asked Mr. Hinojosa if he would give me a written statement and he said no, that he had already told me what had happened.

I then observed that Mr. Hinojosa had some blood stains on his right hand (middle and index fingers) and what appeared to be a drop of blood on his t-shirt. I removed his t-shirt and took it as evidence. I then took some distilled water and a cotton swab and took samples of the blood on Mr. Hinojosa's right hand. I then took Mr. Hinojosa back to the cell and started to prepare the paperwork for the complaint.

On this same date, a complaint of Murder was signed against Alfredo Rivera Hinojosa before Judge Ricardo Flores. Judge Flores issued a warrant of arrest of Murder for Alfredo Hinojosa. I then took Alfredo Hinojosa out of his cell and informed Mr. Hinojosa that I was placing him under arrest for the murder of Jose David Belloso. I took Mr. Hinojosa before Judge Flores for arraignment. Judge Flores arraigned Mr. Hinojosa on the said murder charge and set bond at \$100,000. Mr. Hinojosa was later transported to the Hidalgo County Jail in Edinburg, Texas.
